# ENTSOG opens public stakeholder consultation on its Annual Work Programme (AWP) 2018

**(PR0141-17, Brussels, 27 July 2017)** Today ENTSOG launches a public consultation on its Annual Work Programme 2018. The feedback of stakeholders will contribute to defining both the right priorities and identifying the most relevant projects for ENTSOG. In addition, the ENTSOG activities for the year 2018 have to be in line with the Three Year Plan issued by the European Commission.

Jan Ingwersen, ENTSOG General Manager, said, *“The ENTSOG AWP 2018 contains the expected activities for ENTSOG in the upcoming year, is aligned with the European Commission’s (EC’s) Three Year Plan, takes into account the ACER opinions on ENTSOG’s work and allows the interested stakeholders to prepare their activities vis-à-vis ENTSOG”*

The consultation starts today (27 July) and will be open until 24 August 2017.

The AWP 2018 (draft version) document and the consultation feedback form are available [here](#).
