

Press Release

Resubmission of revised Network Code on Interoperability and Data Exchange Rules (INT NC) to ACER

(Brussels, 18 December 2013, PR054-13) Today, ENTSOG's General Assembly has approved the resubmission of the revised Network Code on Interoperability and Data Exchange Rules (INT NC) to ACER. - The first submission of the INT NC by ENTSOG was done on 10 September 2013. On 21 November 2013 ACER has sent its reasoned opinion that has triggered additional work on a revised draft on ENTSOG's side.

Vittorio Musazzi, ENTSOG General Manager, said, *"The revised version with its clarifications prepares the next steps towards the comitology process."*

The resubmitted document is available at:

Should you require any further information please contact Armin Teichert (+32 2 894 5140, media@entsog.eu).

Editorial notes

- > ENTSOG was founded on 1 December 2009 in line with Regulation (EC) 715/2009. The current number of Members, Associated Partners and Observers can be found [under this link](#).
- > In line with Articles 6, 7 and 8 of the Regulation (EC) 715/2009, ENTSOG has the task of formulating network codes in a number of areas and of adopting various communications: a non-binding community-wide Ten-Year Network Development Plan on biennial basis; Winter and Summer Supply Outlooks; common network operation tools; recommendations relating to the coordination of technical cooperation between community and third-country-TSOs; annual work programmes and annual reports.
