## **ENTSOG Article of Association, Rules of Procedure and List of Members**

Dear Mr Hilbrecht,  
Dear Mr Pototschnig,

The European Network of Transmission System Operators for Gas (ENTSOG) is pleased to submit to the European Commission and to ACER its Articles of Association, Rules of Procedures and List of Members, in accordance to Art.5.1 of the Regulation (EC) 715/2009.

The attached documents have been approved by ENTSOG General Assembly during the last meeting on February 16<sup>th</sup> 2011: these documents contain amendments to the previous ones delivered to Commission and ERGEG before ENTSOG's foundation in December 2009.

With these amendments European Network of Transmission System Operators for Gas introduced the possibility to derogated EU Countries and Third Countries to have a special status and be involved in some aspects of ENTSOG's internal activities.

During the month of February we received application letters from Erdgas Munster GmbH and Co. KG (D), GRTGaz Deutschland GmbH (D), Statoil Deutschland Transport GmbH (D) for membership and from Lietuvos Dujos (LT) for associated partnership.

We look forward to receiving your opinions on our submission. Please do not hesitate to contact us, should you have any further questions on the documents.

Sincerely,

A handwritten signature in blue ink, appearing to read "Musazzi".

**Vittorio Musazzi**

**ENTSOG General Manager**
