

JOIN THE ENTSOG SYSTEM DEVELOPMENT TEAM IN BRUSSELS!

We are seeking candidates for the
System Development Team:

- Scenario Adviser
- Model Adviser

APPLY NOW - THE INTERVIEWS WILL TAKE PLACE IN EARLY 2019!

HERE'S WHY YOU SHOULD CONSIDER JOINING ENTSOG IN BRUSSELS!

- ▲ Work with European energy topics
- ▲ Impact the development of the European gas markets and infrastructure
- ▲ Be close to high level EU decision making
- ▲ Work and live in a dynamic, international environment

THE ROLE OF ENTSOG

The role of ENTSOG is to facilitate and enhance cooperation between national gas transmission system operators (TSOs) for gas across Europe to ensure the development of a pan-European transmission system in line with European Union energy goals. Its objectives are to promote the completion of the internal market for gas and stimulate cross-border trade, ensure the efficient management and coordinated operation of the European gas network and facilitate the European network's sound technical evolution.

ENTSOG is comprised of seconded staff from its members and therefore the organisation is constantly under dynamic change and ready to offer new opportunities. The ENTSOG staff currently consists of approximately 40 people of 17 different nationalities and representing 18 companies, which provides a unique and challenging international working environment.

ABOUT YOUR ROLE IN THE SYSTEM DEVELOPMENT TEAM

ENTSO-G are seeking candidates for two areas within the System Development Team:

- ▲ **Scenario Adviser**
- ▲ **Model Adviser**

The ENTSOG System Development Area is responsible for (1) building scenarios, together with ENTSO-E (cooperation between TSOs for electricity), for all EU energy demand and supply, (2) investment planning, making

the ENTSOG Ten Year Network Development Plan every two years, including system needs assessment and project Cost Benefit Analyses and (3) the related models, outlooks/reviews and maps.

The EU energy market is in the process of a significant change to meet the challenges of decarbonisation. We participate in shaping the future European gas system and providing our expertise to help key policy makers in the application and development of EU gas regulation.

CANDIDATE REQUIREMENTS

The Candidates will be based in Brussels and should be **ready to start work** as soon as possible, at the latest **during Q1 or Q2 2019**. Fluent English, both in speaking and in writing is essential. Appointees from ENTSOG Members will be seconded based on a contract between ENTSOG and the seconding TSO, usually for a period of **typically 3 years**.

Some of the key responsibilities of this Adviser role includes **leadership and support** for the development of the EU scenarios and gas system, **liaison with ENTSOG Members and stakeholders**, as well as participation in **processes led by the European Commission, ACER and other European authorities**. Candidates seconded from TSOs are preferred.

CANDIDATES SHOULD HAVE:

- ▲ a general knowledge of the European gas market framework and the European Institutions;
- ▲ a familiarity with (EU-wide) scenario building and/or system development;
- ▲ preferably experience in business intelligence, data mining, data analytics and development of methodological approach for data treatment;
- ▲ an understanding of the potential future energy system developments that may be needed to meet the requirements, including strong decarbonisation;
- ▲ good understanding of European gas and electricity systems and market dynamics, and understanding of gas/electricity interactions;
- ▲ some knowledge on renewable and/or decarbonised gas, climate change debate, new uses of gas, and other relevant issues.

THE SUCCESSFUL CANDIDATE WILL ALSO BE ABLE TO DEMONSTRATE:

- ▲ an open minded and flexible approach, able to find compromises and results reflecting viewpoints of stakeholders;
- ▲ ability to develop and manage challenging project timelines, possess strong organisation skills and able to present complex concepts and ideas;
- ▲ skills of contributing to the success of a team by demonstrating initiative, persuasion, negotiation skills and a willingness to support others both within this and other parts of the ENTSOG organisation;
- ▲ strong work ethics and associated flexibility to cope with demanding timelines and work pressures;
- ▲ an international mind set, focusing on the strengths of diversity as well as a respectful communication and dialogue;
- ▲ independence in thought, discussion and execution;
- ▲ proven ability in developing change proposals.

CONTACT INFORMATION

A CV, a TSO support letter and any other supporting material from candidates should be sent by email to:

▲ Jan Ingwersen (jan.ingwersen@entsog.eu)

Please submit your application no later than 20 December 2018.

The interviews will take place in early 2019.

If you have any questions in relation to these Adviser positions please contact:

▲ Business Area Manager for System Development, Anne Boorsma (anne.boorsma@entsog.eu)

If you would like to ask question or clarification in relation to the Secondment Contract please contact:

▲ Agata Musial – Finance & Admin Manager (agata.musial@entsog.eu)

PLEASE NOTE

The personal data of the candidate will be used by ENTSOG for recruitment purposes only (and in no case for commercial and/or marketing purposes) and will in no case be disclosed to any third party without the prior consent of the candidate. Such personal data may be kept by ENTSOG for a duration of maximum 3 years for recruitment purposes only in case a new vacancy may be of some interest for the candidate.

Please, join to the application the following written consent signed by the candidate: "I understand and I agree that ENTSOG is processing my personal data for recruitment purposes and I consent that ENTSOG is keeping my data for future vacancies."
