

ENTSOG Annual Conference
8 December 2020

Future of Gas Grids: Decarbonisation and Energy System Integration

AGENDA

8 December 2020, 14:00 to 17:30 (online)

14:00 Welcome and Opening

- 14:05 Opening address by ENTSOG President, **Stephan Kamphues**
- 14:10 Conference welcome video by ENTSOG
- 14:15 Keynote speaker: EC Energy Commissioner **Kadri Simson**
- 14:20 Keynote speaker: **Cristian-Silviu BUȘOI**,
Member of the European Parliament
- 14:25 Keynote speaker: **Thorsten Herdan**, German Federal
Ministry for Economic Affairs and Energy

14:30 – 15:45 Panel discussion: Delivering on ESI and Hydrogen Strategies in Practice: Identifying the necessary changes to EU market regulation

- 14:30 Session moderated by **Christopher Jones**,
Part-time professor at Florence School of Regulation

Panel discussion with:

- Clara Poletti**, Chair of the Board of Regulators of ACER
- Sean Mackle**, Director, Fertilisers Europe
- James Watson**, Secretary General, Eurogas
- Torben Brabo**, President, Gas Infrastructure Europe

15:45 Break and Members Innovative Decarbonisation Projects video

16:00 – 17:15 Preparing EU's future gas and hydrogen grids: Developing the gas network to support the transition in scale and time

- 16:00 Session moderated by **Dr. Klaus-Dieter Borchardt**, Baker McKenzie

Panel discussion with:

- Catharina Sikow-Magny**, DG ENER, European Commission
- Jorgo Chatzimarkakis**, Secretary General, Hydrogen Europe
- Axel Eggert**, Director General, EUROFER
- Eva Hennig**, Chair of Eurogas Distribution Committee/Thüga
- Daniel Muthmann**, Open Grid Europe (OGE) and Chair of Gas for Climate

- 17:25 Concluding remarks by ENTSOG General Director
Jan Ingwersen

17:30 END of conference
