

ENTSOLOG IS RECRUITING!

We are seeking a candidate for the ENTSOG Market Team

MARKET ADVISER

THE ROLE OF ENTSOG

The role of ENTSOG is to facilitate and enhance cooperation between national gas transmission system operators (TSOs) across Europe to meet European Union energy goals. Its objectives are to promote the completion of the internal market for gas and stimulate cross-border trade, ensure the efficient management and coordinated operation of the European gas network and facilitate the European network's sound technical evolution.

ENTSOG is comprised of seconded staff from its members as well as directly hired staff and therefore the organisation is constantly under dynamic change and ready to offer new opportunities. The ENTSOG staff currently consists of 40+ people of 18 different nationalities, a good gender balance and representing 14 companies, which provides a unique and challenging international working environment.

ABOUT YOUR ROLE AS MARKET ADVISER

In your new role, you will contribute to our work on **monitoring and improving the EU-wide gas network codes** in the Market Area (Capacity, Balancing, Tariffs) and/or the **development of upcoming EU legislation** and feed into the de-

bate on market aspects of the energy transition, with a focus on hydrogen, renewable gases, guarantee of origin and other relevant issues.
