

## *Press Release*

### ***ENTSOG publishes the CAM NC related 'Capacity Auction Calendar' for 2018/19***

(Brussels, PR0154-18) **The Capacity Allocation Mechanism Network Code (CAM NC) requires ENTSOG to publish information related to specific capacity auctions. This 'Auction Calendar' for 2018/19 is now available on the ENTSOG website.**

The auction calendar 2018/19 contains all relevant timings for auctions of standard capacity products. Key auction dates are:

- Annual yearly capacity auction (firm capacity) – 2 July 2018
- Quarterly capacity auctions (firm capacity) – 6 August 2018, 5 November 2018, 4 February 2019 and 6 May 2019
- Monthly capacity auctions (firm capacity) – third Monday of M-1
- Daily capacity auctions (firm capacity) – D-1, 14:30 (UTC)
- With-In Day capacity auctions (firm capacity) – Each hour for the period starting from +4 hours until the end of the gas day

An amendment to the CAM NC in 2016, entering into force in March 2017, involved a modification of the date for the annual yearly capacity auction. Therefore, the firm annual yearly capacity auction date has been moved from March to the first Monday of July.

The 'Auction Calendar' is available [here](#).

#### **Editorial notes**

- > ENTSOG was founded on 1 December 2009 in line with Regulation (EC) 715/2009. The current number of Members, Associated Partners and Observers can be found [at this link](#).
- > In line with Articles 6, 7 and 8 of the Regulation (EC) 715/2009, ENTSOG has the task of formulating network codes in a number of areas and of adopting various communications: a non-binding community-wide Ten-Year Network Development Plan on biennial basis; Winter

and Summer Supply Outlooks; common network operation tools; recommendations relating to the coordination of technical cooperation between community and third-country-TSOs; annual work programmes and annual reports.
